

Workshops

Waycross offers all of our workshops to residents of Forest Park, Greenhills and Affiliate Producers interested in using our equipment to produce their own programs for Community Access. These workshops are also available to both residents and non-residents who wish to volunteer as a Waycross production crew member, to help an independent producer currently producing a program at Waycross, or general knowledge. Please call 825-2429 to register.

Have your own equipment? Workshops are not required for residents to submit a program for playback. All you need to do is attend one of our orientation sessions - see below or call to schedule one at a time that fits your schedule.

ORIENTATION: Find out about community access and the services Waycross Community Media has to offer. Required prior to taking workshops or submitting a program. One 30-minute session. Cost: free of charge.
